

"Love having this opportunity. No funds anymore for field trips, so this brings the field trip to the students. Thank you so much."

Karen Mead, Mauston High School Counseling Office

Upcoming Presentations

City Management – Making things happen behind the walls and through the halls of City Hall

Presented by: Todd Schmidt, *Village Administrator*, Village of Waunakee

Date(s):

- Wednesday, January 11, 2017 1:30 PM
- Wednesday, January 11, 2017 2:15 PM

Description: Would you like to make things work more efficiently and cost effectively? Would you enjoy bringing out the best in the people you work with? Do you want to make a real difference in the city, town, or county where you will live and work? If you answered yes to these questions, consider a career as a professional local government manager! Known by various titles—city manager, county administrator, town manager, chief administrative officer (CAO)—these dedicated leaders are at the core of better cities, towns, boroughs, villages, and counties everywhere.

Patents, Licenses, and Start-ups, Oh my! -- Commercializing University Technology

Presented by: Mark Staudt, *Licensing Associate*, Wisconsin Alumni Research Foundation (WARF)

Date(s):

- Wednesday, January 18, 2017 1:30 PM
- Wednesday, January 18, 2017 2:15 PM

Description: In Technology Transfer, we operate as liaisons between Academia and Industry as we work with development partners to bring the innovations and technology discovered on campuses out into the commercial world. It is a space that allows you to enjoy some of the benefits of each world, as well as navigate their challenges as you try to translate between them. Mark will talk about how a career in this field looks from his perspective and be happy to answer any questions that may help you figure out if it might be a good fit for you.
