

"Love having this opportunity. No funds anymore for field trips, so this brings the field trip to the students. Thank you so much."

Karen Mead, Mauston High School Counseling Office

Upcoming Presentations

City Management – Making things happen behind the walls and through the halls of City Hall

Presented by: Todd Schmidt, *Village Administrator*, Village of Waunakee

Date(s):

- Wednesday, February 14, 2018 8:30 AM
- Wednesday, February 14, 2018 9:15 AM

Description: Would you like to make things work more efficiently and cost effectively? Would you enjoy bringing out the best in the people you work with? Do you want to make a real difference in the city, town, or county where you will live and work? If you answered yes to these questions, consider a career as a professional local government manager! Known by various titles—city manager, county administrator, town manager, chief administrative officer (CAO)—these dedicated leaders are at the core of better cities, towns, boroughs, villages, and counties everywhere.

[Project Management: Springboard to Corporate Leadership Opportunities](#)

Presented by: Brad Pincombe, *Director, Business Services*, Alliant Energy

Date(s):

- Tuesday, March 13, 2018 8:30 AM
- Tuesday, March 13, 2018 9:15 AM

Description: A liberal arts degree and project management skills and experience provide an excellent foundation for leadership opportunities in any industry. Project managers must be quick learners, strong communicators, thorough planners, tolerant of ambiguity and capable of identifying and mitigating risks. They often are responsible for large budgets and must ensure that what they deliver meets their customers' expectations. Sounds like someone who is a corporate leader, doesn't it? Brad Pincombe will talk about his career journey from a project team member to a project and program manager to his current role as Director, Business Services for Alliant Energy and the key skills that got him there.
