

"Love having this opportunity. No funds anymore for field trips, so this brings the field trip to the students. Thank you so much."

Karen Mead, Mauston High School Counseling Office

Upcoming Presentations

When life hands you an event...learn what it takes to plan it!

Presented by: Kennedy Turner, *President*, Blueprint Events, LLC

Date(s):

- Thursday, November 15, 2018 8:30 AM

Description: For some planning events sounds amazing... picking food and decor, working with a variety of people, spending your time selecting cool venues and entertainment. The truth is... it takes more than just a love for events to succeed in this fast-paced challenging field, you must have an eye for details and ability to handle multiple deadlines and personalities. Kennedy will walk you through her background as well as what it takes to succeed in the corporate event planning world.

"Print, the very first text message."

Presented by: Therese Gulbransen , *Vice President of Sales and Marketing*, American Printing Company

Date(s):

- Tuesday, November 27, 2018 1:30 PM
- Tuesday, November 27, 2018 2:15 PM

Description: Think print is dead? You couldn't be further from the truth! In this presentation Therese and Nicole will share how print influences your daily life and how a career in printing can take you anywhere in the world. Learn the common misconceptions about print, and what the future has instore for anyone considering a career in this industry.

Alliant - What will I be when I grow up?

Presented by: Erin Dammen, *Lead Digital Engagement Consultant*, Alliant Energy

Date(s):

- Thursday, November 29, 2018 8:30 AM

Description: There's a misconception that a career needs to follow a single path or stay within a single area. Authentic relationships, recognizing opportunities, a willingness to learn and a blend of personal and organizational skills have allowed Erin Dammen to explore different job positions and keep growing. Spotting the patterns in a "patchwork career" can help identify what really matters to you in any position.

Urban Planning: Defining the Future of our Communities

Presented by: Zia Brucaya, AICP, *Senior Planner*, Urban Assets, LLC

Date(s):

- Thursday, December 6, 2018 8:30 AM
- Thursday, December 6, 2018 9:15 AM

Description: Urban planning is field full of diverse interests, with specialties that include land use, transportation, economic development, housing, natural resources, disaster preparation, community development, and more. If you like to solve problems, work with others, and contribute to your community, this could be the field for you. Zia Brucaya will explain the typical interests and skills required to be a planner, share why she chose planning over being a museum curator, and walk through her experiences with planning and public engagement in Madison, Indianapolis and Alaska.
